Clearwater Christian College is committed to excellence in education and to effective discipleship towards Christlikeness. Both of these are essential components of our mission. The Lord has blessed this college with faculty and staff who have given their lives to accomplish these two challenges, and we will continue to develop innovative ways to achieve these goals.

This catalog outlines the policies, procedures, and programs that are intended to help the student understand the Clearwater Christian College expectations for a successful academic career. Although much of the reference material will be only helpful for specific circumstances, the catalog contains vital information for every prospective student and parent to read

and comprehend. The Mission, Purpose, and Goals section is essential reading for anyone contemplating attending Clearwater Christian College since it provides a look at the heart of our college. The other sections are important for specific questions such as: 1) How much is the tuition? 2) How do I enroll? 3) How much financial aid is available? 4) What courses must I take in a particular major?

The steps of the process from selection of a college, to enrollment, and then ultimately to graduation can be intimidating; however, enrollment counselors, administrators, faculty, and staff are ready at various stages to provide guidance and direction. These men and women are committed to helping each student successfully complete the rigorous and exciting challenges of the college career. They will be constantly pointing each student toward the Lord Jesus Christ, Who is central to everything we do.

Quality education in a family atmosphere that is focused on the Lord Jesus Christ is the product we offer. Every part of the college life—academics, athletics, Christian service, social events, dorm life, chapel—is designed to prepare men and women to know, love, and serve their God. May we be faithful and effective in this pursuit!

Sincerely yours,

At Clearwater Christian College our desire is that graduates be effective witnesses for the Lord not only in churches, in Christian schools, on mission fields, but also in every walk of life. So-called secular fields of work are not secular for the Christian; instead, they are fields for witness and service. Our desire is that every graduate will have grown closer to the Lord while a student, will have a greater burden for lost souls, and a greater love for the saved.

We believe that the basic solution to the moral and ethical problems of our nation and the world is recognizing and receiving “the Lamb which taketh away the sin of the world.” (John 1:29) We believe this will finally be the case when the Lord returns and establishes His millennial kingdom, as He promised.

Essential in the total program of the college is the academic, spiritual, and character development of the students. As part of the program students are equipped to discern unbelief and sin which often subtly creep into our churches, institutions and homes. As true soldiers of the Cross, Clearwater Christian College students are equipped to expose sources of unbelief by God’s Word and to answer unbelief by God’s Word.

We commend Clearwater Christian College, it’s board, administration, faculty, staff, and student body to pastors, parents, and friends for prayer and support. We invite prospective students to prayerfully consider the unique program and emphasis of the college.

Yours in His Faithfulness,
