MISSION STATEMENT

The purpose of the Athletic Department at Clearwater Christian College is to provide a competitive intercollegiate athletic program dedicated to bringing glory to God by using athletics: first, to present an unshakeable testimony for Christ both on and off the playing field; second, to promote discipleship within the team setting; and third, to provide ministry opportunities for our athletes to share God's Word with others.

Clearwater Volleyball Sweeps FCC

The Lady Cougars travelled to Kissimmee to play a single match against NCCAA II opponents, Florida Christian College. Clearwater came out strong against the home team to quiet the loud crowd. Coach Denny was also able to get her freshmen playing time on the court. Freshman

outside hitter Dana Medich had a solid performance with three kills per game. The team had a much needed rest last weekend and will resume play this week with a road trip to Ave Maria and weekend tournament at Avon Park. Currently the team is 17-4.

Cougars Struggle Late in 4-0 Loss to Eckerd

Clearwater Christian College lost to Eckerd College 4-0 Tuesday in men's soccer action. The Cougars played tough for 70 minutes, trailing by a score of 1-0 with only 20 minutes to go. But a flurry of goals by the Tritons over a five-minute span put the game out of reach for the Cougars. Mike McGee led the Tritons with 2 goals, both off corner kicks.

The Cougars best chance to score came midway through the 2nd half as Paul Vanaman was

able to create several opportunities off the counter-attack deep in the Eckerd end but came up empty.

Coach Whitaker had this to say about the match: "We simply got outclassed by a quality Eckerd team tonight. We battled for 70 minutes before losing our focus and letting the match get away from us with a poor 5 minute stretch. We can learn a lot from playing this kind of opponent and this will only make us better."

Cougar Spotlight: Abigail Marino

Junior Abigail Marino is a key player for CCC's women's soccer team in her position as center mid/outside mid. She exhibits a good spirit and enjoys her position: "I love just being on the field, but center midfield is my favorite position because I like having the choice of going in any direction. I also love being in that position because of the opportunities to help support both forwards and defenders. I love the game, and I love my team."

Abigail suffered a tear to her ACL and will unfortunately be out for the rest of the season, but will be allowed to be a medical red shirt so that she can help her fellow teammates. She will be returning for her senior season.
