

MUSIC SCHOLARSHIP-AUDITION FORM
Application
2010-2011

Individuals pursuing a music scholarship from Clearwater Christian College are required to complete a basic application form and give an audition. Completed applications and scheduled auditions are handled through the Office of Enrollment Services. The priority date for applications and auditions is March 1, 2010.

Audition Requirements: Students should prepare two selections of contrasting style; for example, one sacred piece and one classical piece. Memorization is not required for instrumentalists, but is preferred for pianists and vocalists. An accompanist will be provided if desired. Sight reading is required for all music scholarship candidates. Major scales and arpeggios will be covered in instrumental and pianist auditions. A live audition on campus is preferred; however, if you cannot audition in person, we do accept VHS tapes, DVDs, or digital files under 8MB in size. These should be mailed directly to Dr. Pattye Casarow in care of the College or sent via email to pattyecasarow@clearwater.edu.

Once all applications are processed and the audition has been completed, the Music Department will forward their recommendation to the Financial Aid Committee who will then act upon this request. Scholarship awards are based primarily on department performance needs in vocal and instrumental ensembles, as well as in studio accompanying. Students receiving scholarship funds may also qualify for other assistance. If a scholarship is awarded, it is understood that the student will participate in two ensembles (Concert Choir, Cantorum, Brass Ensemble, String Ensemble, Orchestra, Bell Choir) or five hours of assigned accompanying, as determined by the music faculty.
